

CV - Gustav Bøgh

About me

Hello, I'm Gustav Bøgh, a 25-year-old multimedia design student with a focus on web development and digital marketing. My experience includes Frontend coding as well as Digital Marketing. I am enthusiastic about implementing effective Marketing strategies and web solutions. I am dedicated to contributing to the development of online profiles, brands, and communication. I am seeking an opportunity where I can blend my technical skills with my passion for digital marketing to make an impact.
